PSPS Emergency Reporting Form - Updated

- Designed to be:
 - Printed double sided
 - Used single sided (in most cases)
 - A place to record info
 - A prompt to help remember what to ask a reporting party
- Find the relevant side, section, and subsection before you start writing (Medical, Fire, Police, Other)
- Don't hesitate to use multiple sections if appropriate (e.g. a car accident with an injured person would use both fire and medical)
- Use multiple sheets if necessary (e.g. two people with medical issues)
- This is the form labeled on the go bag list as Emergency Report Questionnaire

Make Initial Report to Dispatch

Radio: "Communications Relay, ARES 9."

Radio: "ARES 9, Communications Relay. Go ahead."

Radio: "Communications Relay, ARES 9, I have a medical emergency at my station. <your callsign>"

Net Control Makes Initial Report to 911

Phone: "911 what is your emergency?"

Phone: "This is ARES relaying for ARES 9. I have a preliminary report of a medical emergency at ARES 9. Detailed report to follow."

Phone: "Acknowledge preliminary report of a medical emergency at ARES 9. Run number is 12345."

Interview the Reporter

Identify information needed by using the form.

Craft compassionate questions to elicit needed information (RED):

- Is he having any other symptoms?
- How old is your son?
- etc...

Make Detailed Report to Dispatch

Radio: "Communications Relay, ARES 9."

Radio: "ARES 9, Communications Relay. Go ahead."

Radio: "Communications Relay, ARES 9, Medical Emergency is a 12 year old male with difficulty breathing, located at my station. No other symptoms. <your callsign>"

Radio: "ARES 9, Communications Relay. Confirm medical at your station. Run number is: 12345. <their callsign>"

- Remember to speak slowly enough that Net Control can record what you are saying! Use other message passing techniques as appropriate. (e.g. I SPELL)

Net Control Makes Detailed Report to 911

Phone: "911 what is your emergency?"

Phone: "This is ARES relaying for ARES 9. I have a detailed report for run number 12345."

(If no run number: "I have a detailed report to follow up on my previous call.")

Phone: "Go ahead ARES."

Phone: "12 year old male with difficulty breathing located at ARES 9. No other symptoms."

Confirm With and Reassure Reporter

“Ma’am I have alerted 911 services of your son’s condition.”

Make no promises to the reporter except anything told to you by 911 services. In which case it is “911 services says that...”.

Finish Filling Out Emergency Report Form

Ensure all necessary fields on the form are complete (only necessary on one side):

- Header: Date, Time, Station, Report ID
 - You generate the report ID from your call sign and a three digit serial number
 - e.g. K6HAM-001
- Reporters Info: Contact information for the person reporting the emergency
- Footer: Name, callsign, signature, run number, sheet numbers
- To save time, it is recommended to pre-fill some of the required information such as your name and callsign.

The image shows a form titled "Emergency Reporting" with several sections. Red circles highlight the following areas:

- Header:** Date: __/__/__, Time: __:__, Station: ____, Report ID (Call-S/N): ____
- Reporter Info:** Name (Do NOT Transmit Name): ____, Address: ____, Phone: ____, Cell: ____
- Footer:** Report Taken By: ____, Callsign: ____, Signature: ____, Run Number (from Netcom): ____, Version 4.0 DRAFT Revised 11-July-2021, Sheet ____ of ____

The form also includes sections for Medical, Patient Info, Fire Department, Gas Smell, Power Lines, and Accident, each with various sub-fields for details.

Log the Significant Activity

Log receipt of an emergency report and notification to dispatch on your ICS 214 form!

Make sure to put the Report ID on the ICS 214!

If you run out of time to fill this out, using just the Report ID is acceptable. E.g. "Received K6HAM-002" and "Reported K6HAM-002"

ICS 214 Form

- Operational Period (Box 2) is the ICS operational period, not the time that you were operational for.
- Make sure your name and callsign are in Box 6.
- Note anything significant especially if there are any times that you are not at your post. (such as for a break, but you don't have to state why you took a break)
- This is a legal document that will be scrutinized after an incident, it may even end up in court, so make sure to keep it professional!
- Do not forget to sign it!

Multiple Simultaneous Emergencies

Scott Green KE6QZJ

Triaging Simultaneous Emergencies

Most of the time, nothing happens. Sometimes, everything happens at once.

When multiple emergencies happen simultaneously, triage them according to the following:

1. **Life:** Threats to life or serious injury.
2. **Property:** Danger of significant destruction.
3. **Environment:** Destruction or pollution.
4. **All Others:** Anything else.
