Remember to ID every 10 min and at the end of transmission

<IF YOU ARE DOING A TACTICAL CALL SIGN 2ND EXERCISE, USE THAT SCRIPT NOW>

Thursdays, at 1929 on K6BJ:

Please standby for the Santa Cruz Coastal Amateur Radio Emergency Service Net. This is <NAME, CALL-SIGN PHONETICS>, your Net Control Station for tonight. Anybody wishing to arrange a contact on a different frequency please do so now.

<Pause>

At 1930 on K6BJ:

Good evening. This is the Santa Cruz Coastal ARES net. We meet here each Thursday at 1930 local time. On the 3rd Wednesday of the month, the monthly ARES meeting is held, currently on Zoom. This net is one of many ways we maintain our equipment and improve our EMERGENCY preparedness. ARES members, visitors and guests are welcome. We invite ALL amateurs to participate.

<Pause>

This is a DIRECTED net, so please do not transmit until indicated by Net Control. Those with priority or emergency traffic can interrupt at any time by saying "Priority! Or Emergency!". Is there any emergency traffic now?

<Pause>

We'll begin the net with check-ins, followed by a 2nd exercise to be announced. Please pause 2 to 3 seconds between transmissions to allow the repeater carriers to drop. Also, pause for 1 to 2 seconds after you key your mic before speaking to allow the repeater links to come up. KJ6FFP is linked with K6BJ and extra time is required when keying up. Also, be patient, as sometimes a transmission is blocked when the KJ6FFP repeater ID's, so you or I may need to repeat. When your call-sign suffix group is called, please check in using standard phonetics, speaking slowly and clearly, followed by your name and location, and indicate if you have any message traffic for the net. We will do a special call out for those in south county on KJ6FFP in case they are unable to get in.

This is <NAME>, <CALL-SIGN PHONETICS> in <LOCATION>, Net Control.

Stations with call-sign suffixes from **Alpha thru Foxtrot** please come now.

<Write down and acknowledge all call signs heard and acknowledge any stations who checked in with traffic>

Stations with call-sign suffixes from **Golf to Mike**, please come now

<Write down and acknowledge all call signs heard and acknowledge any stations who checked

in with traffic>

<CALL SIGN>

Stations with call-sign suffixes from **November to Sierra**, please come now.

<Write down and acknowledge all call signs heard and acknowledge any stations who checked in with traffic>

Stations with call-sign suffixes from **Tango to Zulu**, please come now.

<Write down and acknowledge all call signs heard and acknowledge any stations who checked in with traffic>

This is <NAME>, <CALL-SIGN>, Net Control. Any missed or late check-ins, please give your call sign using standard phonetics, followed by your name and location, now.

<Write down and acknowledge all call signs heard>

Is there anyone coming in on KJ6FFP who hasn't been acknowledged? Please come now.

<Write down and acknowledge all call signs heard>

Ask for Announcements:

Does anyone have any reports or announcements of general interest to the group? If so, please give me your call sign now.

<Pause> <moderate announcements – acknowledge all call signs who have an announcement, then call on them one by one, until complete.>

Anyone on KJ6FFP with a comment or announcement who wasn't acknowledged please come now.

<Pause> <moderate announcements>

This is **<CALL-SIGN>**

Training: (Optional)

Now we will go into the training portion of the net. Is there any training tonight?

<Pause and see if anyone has training, OR provide training related to your 2nd exercise)>

Are there any questions about the training? Please come now.
