

INTENTION: to keep as much as possible in the current list/order

ACTUALITY: in deleting "gone" repeaters/channels, it was prudent to move a few channels, creating the ability to put like channels together

Followed various existing "Band Plans" as much as possible

Comments: geographic location of repeaters first

We suggest you have the old frequency list handy to compare to the "new"

Channel:

1 Comments : SCV section instead of 5 County to better describe location

2-9 Removed Primary, secondary etc.(can change) and put geographic location of repeaters

20 Red Cross NAME changed to REDX

VARIOUS - Changed all KJ6FFP to K6RMW channels

30 Deleted "Hospital 1"; now K6BBY Allstar node
